## **13/92 ANY FURTHER CURRENT PLANNING MATTERS**

**92.1** Further to discussion at the previous meeting Cllrs Griffin and Price had surveyed trees at Lime Grove which included ash, hazel, birch and larch. A number of trees had been felled and it had been queried if Tree Preservation Orders protected them. Simon Putt, SHDC Tree Officer, had agreed to meet Cllr Griffin and the Clerk on site at 1100 on 16<sup>th</sup> January.

**92.2** Cllrs Griffin and Yates had attended SHDC's Town & Parish Planning Workshop held on 11<sup>th</sup> December at Follaton House, Totnes. The session had been very well attended and case studies were presented of planning appeals. There appeared to be pressure for the development of new housing.

**92.3** At the previous meeting, members had considered SHDC's proposed works to a section of Fore Street Car Park linking the main part of the car park with Fore Street itself. Subsequently, full council had provided support for the exit to be closed onto Fore Street and to suggest a virtual footpath for pedestrians be provided on the south side of the car park. SHDC had responded providing 2 options for a pedestrian route:

- Option 1 (south side) resulting in a reduction of disabled bays from 7 to 6, possible public seating adjacent to Fore Street entrance, and a narrow section for vehicles near the public toilets, and
- Option 2 (north side) resulting in the virtual footpath continuing along the cross-hatching at the rear of the disabled bays.

It was **RECOMMENDED** to support the adoption of Option 1:

- there were safety implications for pedestrians walking at the very rear of parked disabled vehicles (Option 2),
- the majority of pedestrians were likely to turn right to walk down Fore Street on leaving the car park and therefore would not have to cross vehicles entering the car park (Option 1),
- a pinch point midway down the access route would have the effect of slowing down vehicles (Option 1).

Moreover, the proposal to stop the exit onto Fore Street would halt a 'rat run' from Cookworthy Road.

**92.4** SHDC had supplied an updated listing of Outstanding Enforcement Cases dated 24<sup>th</sup> December which was reviewed by members. The listing was confidential and referred to alleged breaches of planning permissions currently under investigation.

**13/93            DATE OF NEXT MEETING**
