

MINUTES OF THE MEETING OF KINGSBRIDGE TOWN COUNCIL HELD IN THE COUNCIL CHAMBER, QUAY HOUSE, AT 6.30 P.M. ON TUESDAY 13 MAY 2025

Present: Cllr Julia Wingate (Chairman)
Cllr Anne Balkwill
Cllr Philip Cole
Cllr Martina Edmonds
Cllr Steve Mammatt
Cllr Chris Povey
Cllr Graham Price
Cllr Danielle Rawstron
Cllr Mel Rollinson
Cllr Julie Taylor
Cllr Paul Vann
Cllr Lorna Yabsley

In Attendance: County Cllr Julian Brazil
District Cllr Susan Jackson
District Cllr Denise O'Callaghan
Katharine Harrod (Town Clerk designate)
Six Members of Public
Martin Johnson (Secretary)

25/01 ELECTION OF CHAIRMAN

It was **RESOLVED** to elect Cllr Wingate as Chairman and Town Mayor for mayoral year 2025/26 and her Acceptance of Office was received.

25/02 ELECTION OF VICE CHAIRMAN

It was **RESOLVED** to elect Cllr Price as Vice Chairman and Deputy Town Mayor for mayoral year 2025/26 and his Acceptance of Office was received.

25/03 APOLOGIES FOR ABSENCE

Apologies were received from Cllr Mike Jennings.

Public Open Forum

Statements from members of public are at Annex A.

Four members of public left the meeting

25/04 REPORTS FROM POLICE AND SOUTH HAMS DISTRICT COUNCIL REPRESENTATIVES

04.1 Members received a written Police report for the period 1 to 30 April 2025.

There had been 48 reported crimes for the Kingsbridge town policing area compared to the previous year when 19 crimes had been recorded. This represented a 152% increase for the same period and a large percentage related to increased reports of criminal damage. It was hoped that the figure would decline in this area due to recent Police action involving a specific individual. However, there remained several youths who were intent on causing issues. The Police were aware and ongoing work with partner agencies would hopefully result in fewer crimes moving forward. The Police reiterated that local issues, intelligence and questions could be reported in several ways via email at kingsbridge@dc.police.uk, visiting the Devon & Cornwall Police website or in person at the Police Station enquiry office which was open Monday to Saturday 10.00 a.m. to 3.00 p.m.

04.2 County Cllr Brazil congratulated the Chairman and Vice Chairman on being re-elected. He noted statements in the Public Open Forum, and thanked Adrienne Benton and Cllr Graham Price for their great work at Kingsbridge In Bloom. A new administration would lead Devon County Council (DCC) from 22 May and he anticipated a new culture. He wished for a more inclusive council and to get rid of tribal politics which hindered progress. South Hams District Council (SHDC) was doing well with a similar new culture in place. DCC Children's Services had received an Inadequate Ofsted inspection. Pothole repairs remained a major issue and a decision had to be made whether the service should be run in-house by DCC. He reiterated the poor deal that SHDC had received from central government which meant the authority had to either reduce its services or increase its revenue; the latter was chosen and differential car parking charges were introduced. However, the Cattle Market car park needed to be looked at. He noted that a pedestrian crossing in Belle Hill had been turned down and championed the introduction of 20 mph residential zones throughout the county to enhance safety and provide consistency.

Members asked several questions regarding the new car parking charges introduced on 1 April. Cllr Brazil responded that the new prices had been a shock to lots of local residents, the district had gone from having the cheapest car parks to mid-range in Devon and Cornwall, few people had applied for the residents discount scheme, the payment data being collected needed to be closely analysed and the differential between locals and visitors may need to be increased further upon review.

A member of public left the meeting

04.3 District Cllr Jackson supported Cllr Brazil's congratulations to the Chairman and Vice Chairman. She noted all comments on the new car parking charges and that the scheme would be reviewed. She had parked in a public car park in Torquay recently and paid £3.00 for one hour.

04.4 District Cllr O'Callaghan also congratulated the Chairman and Vice Chairman upon their re-election. She had attended an enjoyable Cookworthy Museum open evening recently alongside Cllr Jackson. She also congratulated Adam Sherring on being a force for youth matters in the town and noted representations made during the Public Open Forum regarding the proposed pump track and it was good that people could air their views. The current officer opinion was that the proposal would require an application for certificate of lawfulness i.e. permitted development

however, there may be an argument for a full planning application. A round table meeting with all parties would be arranged shortly. She reported that fake QR codes had been attached to the charging machines in Mayors Avenue Car Park, Dartmouth, and people should be aware of fraud. Finally, she received comments regarding the poor water pressure and condition of the lift at Quayside Leisure Centre and would explore the matters.

County Cllr Brazil left the meeting

The following 3 agenda items (25/07, 25/08 and 25/18) were taken early out-of-turn:

25/07 URGENT BUSINESS

The Chairman agreed to take on item of urgent business at agenda item 25/18: "Proposed pump track – response to enquiry".

25/08 DECLARATIONS OF INTEREST

Cllr Balkwill declared a pecuniary interest in agenda items 25/21a.3, 25/21b.6 and 25/21b.7.

Cllr Mammatt declared a pecuniary interest in agenda items 25/21b.4.

Cllr Vann declared a pecuniary interest in agenda item 25/21a.4 and 25/21b.18.

Cllr Cole declared a pecuniary interest in agenda item 25/21a.3.

25/18 BUSINESS BROUGHT FORWARD BY THE CHAIRMAN: PROPOSED PUMP TRACK – RESPONSE TO ENQUIRY

A local resident had emailed all Council (KTC) Members on 8 May 2025, which had been summarised during the Public Open Forum, with several queries regarding the proposed pump track (purpose built track for cycling) and requested further public consultation. It was **RESOLVED** to make the response at Annex B.

A member of public left the meeting

25/05 APPOINTMENTS TO COUNCIL COMMITTEES

Appointments to membership of the Environment, Transport & Resilience; Finance; Planning; and Property & Recreation Committees were agreed at Annex C.

25/06 APPOINTMENTS TO OUTSIDE BODIES

Appointments to represent KTC on Outside Bodies were agreed at Annex D.

25/09 MINUTES OF PREVIOUS MEETING

It was **RESOLVED** that the minutes of the council meeting held on 8 April 2025 be approved and signed by the Chairman.

25/10 PLANNING COMMITTEE

It was **RESOLVED** to receive and adopt the Resolutions in the minutes of the Planning Committee held on 8 April 2025.

25/11 FINANCE COMMITTEE

It was **RESOLVED** to receive and adopt the Recommendations in the minutes of the Finance Committee held on 22 April 2025 (public session only).

25/12 PROPERTY & RECREATION COMMITTEE

It was **RESOLVED** to receive and adopt the Recommendations in the minutes of the Property and Recreation Committee held on 29 April 2025.

25/13 KINGSBRIDGE COMMUNITY ECONOMIC PLAN

Members received a listing of earmarked individuals and groups who may be interested in working up the town's economic plan. It was then **RESOLVED** to forward invitations to join the Steering Group for the Kingsbridge Community Economic Plan and to attend its inaugural meeting at 6.00 p.m. on 11 June 2025 in Quay House.

25/14 TOWN CLERK'S REPORT

14.1 Representations on SHDC's Differential Parking Charges introduced on 1 April 2025. KTC has received recent representations regarding the increase in car parking charges from local residents living in Fore Street and users of Quayside Leisure Centre. Individual responses had been made and copies were available.

14.2 Recreation Ground – community painting morning. The wall around the children's play area/teenzone would be cleaned on Wednesday 21 May. The intention was to subsequently paint it by way of community volunteers, and boarding at the café, before Green Flag judging took place on Thursday 29 May. Jewson had kindly donated the paint.

14.3 Feedback – support for a zebra crossing in Belle Hill. At December's full council meeting Members supported the introduction of a zebra crossing in Belle Hill to access the Primary School. DCC Highways had responded that it is not possible due to:

- Footways were too narrow at the location and forward visibility to the crossing would not be sufficient.
- The crossing would need to be further down the hill, away from the junction, and it is suspected that people would not use it.
- Equally it would also be difficult to fit in a crossing remote from the junction.
- The collision data did not support the need given one reported slight injury collision in the last 15 years which did not involve a pedestrian.

- Funding would be an issue given the collision data and the spend could not be justified when there was bridge there.
- It was appreciated that people with buggies may struggle due to the steps at the bridge however, there was insufficient space for a ramp at the correct gradient.

14.4 Feedback – proposal for a town and parish councils letter to South West Water. At April's full council meeting Members supported a joint letter to SWW lobbying for a flood mitigation scheme in town. A draft had been forwarded to 7 councils; 4 positive responses had been received and 3 responses were awaited.

14.5 Feedback – public art project. Letters would be sent shortly to landowners and tenants which bordered the Fore Street passageways identified for wall murals. Land Registry searches had been actioned to confirm ownership.

14.6 Public Toilets – potential future KTC management. The Town Clerk had attended an informative Zoom meeting on public toilets that day alongside circa 30 other town/parish councils. The headliners were:

- Public toilets were a constant challenge.
- A potential future unitary authority would probably not wish to manage and therefore KTC will need to take on otherwise the public toilets would close.
- They were expensive with a 5 each men and women cubicles working out at £25k per annum minimum i.e. utilities, vandalism, repairs, cleaning and consumables.
- Ballpark budget for Quay, Fore Street and Recreation Ground was £60k per annum.

25/15 REPORTS ON MEETINGS OF OUTSIDE BODIES AND AUTHORITIES/AGENCIES

15.1 South Hams District Council Dementia Forum 16 April 2025. Cllr Price had attended an informative meeting.

15.2 Twinning Association/Horizons Youth Club/Town Mayor presentation 25 April 2025. Further to the previous meeting, Cllr Wingate had attended a get together at Horizons and £1,000 had been funded to the youth club from the Town Mayor's charity account (non-public monies).

15.3 SHDC/KTC Skatepark and Recreation Ground meeting 30 April 2025. Proposed floodlighting at the Skatepark was likely to require a planning application if the desired floodlights were at 6m height. The lights to be programmed to be switched off at 8.00 or 9.00 p.m. A proposed pump track (purpose built track for cycling) at the rear/Derby Road side of the Recreation Ground was likely to be permitted development with flood risk and tree zones to be taken into account.

15.4 VE Day 80 War Memorial service 8 May 2025 and commemorative event 10 May 2025. Cllr Wingate and fellow Members had attended a sincere memorial service and an enjoyable afternoon in the Mill Club to mark VE Day 80.

15.5 Kingsbridge Community Champions presentations 13 May 2025. Prior to the meeting, Cllr Wingate had presented plaques and book tokens to Kingsbridge Care Hub, Jonny Richmond (Baptist Church), Karen Dorey (Kingfishers Swimming Club) and Leslie Pengelly (South Hams Society). A press and social media release with photos would be produced.

15.6 Assemblies at Kingsbridge Community College. Cllr Wingate had completed her attendance and briefings to individual year group assemblies at the college. The aim was to find out how students considered they fitted in with the local community and had been very worthwhile.

15.7 Markets. Cllrs Rawstron and Wingate had arranged to host a SHDC officer at 5.30 p.m. on the following day 14 May at Quay House to discuss markets with a group of town centre traders.

25/16 FINANCE – PAYMENT OF ACCOUNTS

Members received a schedule of payments due to date 13 May 2025. It was **RESOLVED** that the payments amounting to £13,607.52 be approved and signed by the Chairman.

25/17 SOCIAL MEDIA

Cllr Yabsley had completed a block of training on social media which have been really useful and further training may be available for Staff members. A callout to Members for stories with photos was made for KTC's Instagram page.

District Cllrs Jackson & O'Callaghan left the meeting

25/19 QUESTIONS TO THE CHAIRMAN

Members made the Chairman aware that they had been contacted by a local resident regarding a planning issue who had invited them to attend the next Planning Committee. Also a repair was required for the red telephone box/disco.

25/20 EXCLUSION OF PUBLIC AND PRESS

Not required as members of public had left the meeting.

25/21 FINANCE COMMITTEE

21a. It was **RESOLVED** to receive and adopt the Recommendations in the minutes of the Finance Committee (confidential session) held on 22 April 2025 and to make the following grants for ongoing community projects (which had been supported during current financial year 2025/26 budget setting in January 2025) under Section 137 of the LGA 1972 as follows:

No	Organisation	Funding purpose	Award
1	South Hams Citizens Advice	Weekly drop-in advisory service at Quay House	£1,820.00
2	Kingsbridge Celebrates Christmas	Whole town festive event	£610.00
3	Cookworthy Museum	Custodians of the town heritage	£2,425.00
4	Kingsbridge Climate Action	Tackling the climate and nature change emergency	£1,000.00
5	Kingsbridge Area Food Bank	Prevention and/or the relief of poverty	£5,000.00

The above grants to realise total expenditure at £10,855.00 from the Grant Aid (Community Projects) cost code 131 from an allocated budget of the same sum.

21b. It was further **RESOLVED** to make the following grants to groups associated with recreational, social and sports activities (following careful consideration of applications) under Section 137 of the LGA 1972 as follows:

No	Organisation	Funding purpose	Award
2	Kingsbridge Park Community Tennis	Resurfacing of tennis courts	£500
4	Kingsbridge Food & Music Festival	Insurance for 30 May-1 June 2025 event	£603
5	Age Concern	Afternoon trips for Memory Club members	£125
6	Kingsbridge Agricultural & Horticultural Society	Shuttle bus service from Kingsbridge to the show field	£400
7	Kingsbridge Feoffees	Repairs to the Town Hall and Clock	£500
8	St Malo Under 5s	New outdoor play equipment	£150
9	Kingfishers Swimming Club	New diving blocks	£500
10	The MotherBorn Collective	Mum & baby/toddler classes	£400
12	Galore Theatre Group	New portable staging	£500
13	Kingsbridge & Malborough United FC	Pre-planning application costs for a new all-weather pitch	£750
15	Harbour House	Performance of Mughal Miniatures by the Sonia Sabri Company and workshops	£250

16	South Hams Ramblers	100 mile South Hams walking trail (including South Brent-Kingsbridge-Salcombe link)	£500
17	Kingsbridge Cricket Club	New bowling machine	£500
18	Friends of the Salcombe-Kingsbridge Estuary	Testing for seasonal Ecoli/eDNA at Bowcombe Bridge to assess water quality	£450

The above grants to realise total expenditure at £6,128.00 from the Grant Aid (Recreational & Social) cost code 130 from a remaining allocated budget at £2,750 and the additional funding to be taken from the Solar Farm (community benefits projects) cost code 270 at £3,378.

21c. It was further **RESOLVED** for the next Grant Aid round in financial year 2026/27 to be earmarked as having a maximum grant award at £500.

21.d. It was further **RESOLVED** to amend the Staff salary scales for the Town Clerk and both Administrator posts with effect from 1 September 2025:

25/22 CCTV UPGRADE

It was **RESOLVED** to accept a quotation to replace the radio links for a portion of the CCTV system.

The meeting closed at 9.00 p.m.

..... Presiding Chairman Date

Annexes:

- A. Public Open Forum.
- B. Proposed pump track enquiry and KTC response
- C. Appointment to Council Committees.
- D. Appointment to Outside Bodies.

Public Open Forum

1. Adrienne Benton, Chairman of Kingsbridge In Bloom (KIB), provided a briefing on the work of the group and its aspirations for summer 2025. The membership was around 40 people with circa 25 active members taking part in Wednesday working parties. They managed several areas in town including: Quay House flower beds, camellia bed in Ilbert Road, Women's Institute boat in Cookworthy Road, lime kiln off Quay Car Park, Church Street amenity space and a grass verge near the Tesco store which had been re-invented for 2025. Partnerships included working with the Community Garden, Beavers, Scouts and Wild About Kingsbridge. Good support from South Hams District Council had been achieved. Key planting areas including hanging baskets were at Fore Street, Bus Station, Town Square and alongside footways at the head of the estuary. KTC Members were invited to the judging day on 30 July 2025 when Kingsbridge would represent the whole South West in the Britain In Bloom national competition within the small towns category.

The Chairman thanked Adrienne for her report, congratulated all the volunteers and was pleased that KIB was working well with SHDC and other community groups in the town.

2. Lee Bonham, summarised a report regarding the proposed pump track from Anne Bonham which had recently been forwarded to all Members (see agenda item 25/18 and Annex D).

3. Christine and Robin East repeated comments regarding the proposed pump track made at the Property & Recreation Committee held on 29 April 2025 i.e. there had been minimal public consultation, adverse impact on green space, there was a no cycling rule in the park, Scouts taught cycling in the park, it would introduce a danger to other park users and anti-social behaviour. A petition had been started which had 25 signatories of people who objected to the pump track.

The Chairman responded to Lee, Christine and Robin that the proposed pump track would be brought up during the meeting.

4. Peter Pallis stated that he had attended previous committee and full council meetings. He retained his expression of interest in taking on and managing the café in the Recreation Ground notwithstanding historical anti-social behaviour.

The Chairman and Town Clerk responded that KTC's position had not changed since his attendance at the council meeting held on 11 February 2025 when Members recommended for SHDC to liaise with him to ascertain if there was an opportunity for the tenancy to be renewed to manage a successful business. No update had been provided to date.

5. Adam Sherring, Skatepark Committee, noted previous comments regarding the proposed pump track and stated it was proven that good recreational facilities reduced anti-social behaviour. He was encouraged to hear that the Scout group were keen cyclists because they would enjoy the pump track.

Proposed pump track enquiry and KTC response.

Enquiry from a local resident with KTC response in italics:

1. The survey results which are being used to support this development were promoted on the Kingsbridge Skatepark Facebook group which is more likely to be favourable towards the idea. The survey was also shared with the Kingsbridge community group in June 24. Both groups can only be accessed by a) being a Facebook user and b) being a member of the group.

Facebook is predominantly used by a 'mature' audience and young people tend to use other platforms which are tuned to their age-related interests. Kingsbridge Skatepark has over 1,700 members and Kingsbridge Area Community Group has over 8,600 members. Kingsbridge Town Council (Council) is confident that the online survey was available to a very large number of adults for their feedback to be received which gained 457 responses (455 support at 99.6% and 2 against at 0.4%).

2. In my correspondence with Councillor & Mayor, Julia Wingate about this issue last June 24, she replied that "this is not the only formal consultation process, it is just a preliminary survey. Other consultation methods will be used including door drop - paper and in person consultation that will be arranged soon".

Paper copies of the online survey were available at the Council Offices and at the face-to-face Annual Town Meeting held in the Market Hall on Saturday 1 March 2025. You are correct that a door drop has not been actioned. This would be a costly exercise, to underline what it already known that the vast majority of local residents support the proposal, and it was deemed as not required. The only door drop consultation which the Council has ever actioned was with regard to the Kingsbridge, West Alvington & Churchstow Neighbourhood Plan.

3. This has not happened. There has been no door drop informing local residents or the wider community of the proposed plans. The only consultation I am aware of was the session on the 1st March combining it with the "meet your councillor's" session in Market Hall Fore Street. This had been advertised / on the KTC Facebook website and in the Kingsbridge gazette, neither of which gave much notice and only reached the users of those communication mediums. I understand it was poorly attended. I did visit and discussed the pump track idea further with Councillor Julia Wingate. It felt less like a consultation and more like a fait a compli with only laminated models of what a pump track could look like in the back of the recreation available.

The Annual Town Meeting, including the pump track consultation, was advertised via Facebook, Kingsbridge & Salcombe Gazette, noticeboards (Council Offices, Fore Street, Duncombe Park and Recreation Ground) and on the Council's website. The fact that you attended said meeting identifies that the promotion was successful. A 'head count' was not actioned however, it is suggested that an attendance in line with previous annual meetings was achieved. The majority of conversations were about car parking charges, flooding and sewage issues, vehicle speeding and related matters. The pump track was not a major topic because only a tiny minority of residents have an issue with the proposal. The plans illustrated a pump track at the rear of the Recreation Ground because experience informed us that the first question people ask is "what will it look like".

4. A local petition which has been started to oppose the location of a pump track in the back of the recreation has demonstrated that very few of the wider community who use the rec ground have any knowledge of this proposal or even know what a pump track is.

We would be grateful if you could supply the Council with said petition. Thank you. For your information, the Council has expressed in its communications that a pump track is "a purpose-built track for cycling" for those people who were unfamiliar with the term.

5. This is a significant change of use for an area of the recreation ground. It also contradicts the Kingsbridge Town neighbourhood plan where the green spaces are named and the value of them as areas of "particular significance" for "their beauty and tranquillity, historic significance, recreational value ,high environmental quality, richness of habitats and wildlife". Further it states that "development within the LGS will only be supported if it is minor and necessary for the enhancement of the LGS". (Kingsbridge West Alvington and Churchstow Neighbourhood plan. 5.3.2 Local green space(LGS).).

The pump track would not be a significant change of use for the park rather it would be an extra activity which will enhance the recreational value in the Recreation Ground. While it would take up 500-750m², only the asphalt surface itself would require the removal of current grass/green space and current aesthetics would be retained. Therefore, the proposal is totally supported by said Neighbourhood Plan Policy KWAC Env2 Local Green Spaces (LGS).

6. I recognise that this is not intended to prevent development, but I do feel that any change of usage needs to demonstrate that it is supported by the wider community, and in particular users of the park. A poster/board displayed at the back of the rec park informing users of the proposal and inviting responses would have been helpful. As a local resident, I observe how well used the back of the rec area is by families on picnics, children playing football and other games, dog walkers, and people just relaxing that I feel

strongly that any change needs to ensure it has wide support of the community, not just the interested few.

The Council is very aware of how the grassed area at the rear of the Recreation Ground is utilised, which is under 24/7 surveillance by our CCTV system, and at present only one picnic table is available. The pump track proposal will include landscaping and seating to make it more attractive than at present for a wider audience to enjoy.

7. There is currently a sign saying no cycling through the park, located at the Derby Rd end which was obviously located there for a reason. There is only one route through the rec ground and to ban cyclists reduces the risks to other user groups of elderly, young children, disabled, mobility scooters , families with pushchairs etc of which there are many. It is a well-used route. I note that the current proposed siting for the pump track meets the recommended distance of 30 m from residential properties. This places the track close to the path and invites the question about access and the need for a safety zone as recommended by pump track guidelines. Another consideration.

There are no current cycling restrictions in place in the Recreation Ground (or Duncombe Park) by order from South Hams District Council. However, your comments regarding potential safety matters for other park users will be taken onboard should the proposal reach the design stage.

8. In conclusion, I do not think that there has been sufficient consultation demonstrating a wider support within the Kingsbridge community to support this proposal and I invite you to undertake this task. The issue has never been about not wanting a pump track as personally I think it's a good idea, but the question is does it trump losing that rare commodity of flat green space within the town and changing the use of well used established areas. I am willing to assist in any surveys and consultations that are undertaken, should you decide that this is an appropriate course of action. Thank you for your consideration.

The Council disagrees with your assertion that there has not been sufficient consultation to demonstrate wide support given there has been an online consultation, face-to-face consultation and the agenda item for the full council meeting held on 8 April 2025 was explicit: "To receive public consultation feedback and to consider Council's support for a Pump Track to be installed in the Recreation Ground (at the rear/Derby Road end of the park) and liaison with South Hams District Council (landowner) to achieve the project".

The promotion ahead of, and at, the annual town meeting provided the following statements: "The space is circa 1,500m². We only intend the pump track to take up between 500-750m² so we feel there is plenty of room to make a really positive community space (...) we have around 19,000m² of easily accessible council-owned green space in Kingsbridge for a strongly

supported project we feel that sacrificing 3-4% of that to provide the only designated cycling space that will benefit a huge part of the community is worth it".

The Council does not intend to undertake another public consultation given that 3 in number have already been actioned.
