I was born in Wokingham, a small market town in Berkshire and went on to study Architecture at the University of Wales in Cardiff.

For the last 20 years I have worked in the Telecoms industry and for the last 10 years I have worked for BT within their Global Services Division as an Account Director, working with some of the world's largest banks and commercial organisations.

I moved to Kingsbridge in 2000 and helped set up and run the Hope Cove Gallery in Hope Cove as well Mangetout Delicatessen in Kingsbridge.

I am hugely proud of Kingsbridge and feel lucky to live in what I believe to be one of the most beautiful parts of the world. I am immensely proud to serve on the Town Council and am keen to represent the interests of small businesses locally along with ensuring that Kingsbridge prospers on all levels for the future.
